

ENTREGADO COLECCIÓN

Alta Expresión Viñas Viejas

D.O. Ca. RIOJA

- Location:** Valle del Najerilla (La Rioja) - Spain
- Age of vines:** Vines over 60 years of age.
- Yield:** 3.500 Kg/Ha
- Plantation system:** Goblet system
- Soils:** Clay-calcareous and clay-ferrous, poor in organic matter with good filtration and drainage
- Vineyard altitude:** 500 - 650 metres
- Climate:** Atlantic and Continental with significant variations of temperature between day and night
- Rainfall:** 436 mm
- Average temperature:** 13.5°C
- Harvest:** Manual harvest
- Harvest Period:** October
- Elaboration:** Integral management of the vineyard under the strictest quality criteria. Harvest is key for our elaborations as well as hand selection tables at the winery to ensure only healthy branches enter the winery. Elaboration is carried following traditional method with cryomaceration before pressing, with exclusively native yeasts and controlled temperature during fermentation. Clarification by natural decanting.
- Ageing:** Aged in New American Oak Casks for at least 7 months minimum (small grain-pore). Refined in bottle for more than 6 months
- Grape Variety:** 100% Tempranillo
- Alcohol:** 13.5%
- Production:** Limited production according to winemakers criteria. Each vintage is different
- Tasting Notes:** Intense violet color. Complex aromas with hints of roasted and coffee can be appreciated on the nose. In mouth is sweet and soft, perfectly rounded and ambivalent. Perfectly harmonious.
